KEY VILLAGE RULES, REGULATIONS AND SERVICES

SHORT TERM RENTAL PROCESS FOR PROPERTY OWNERS

Due to increased rental complaints such as excess trash, parking, fireworks and noise, the Village has adopted a Rental Permit program for properties with rental complaints. Please read the Resolution carefully because rental complaints such as these will require that the owner apply for a "Special Land Use Permit" to be able to continue to rent as provided in the Resolution.

POLICE DEPARTMENT

Dial **9-1-1** in an emergency. If you are calling with a non-emergency matter, you can contact the police department at (269) 469-5000. If you leave a message, the officer will check the answering machine throughout the day. You can also contact Berrien County dispatch at (866) 630-7679 to request a visit from an officer for non-emergency calls.

DRIVE SAFELY

Please watch your speed while driving in the Village. The speed limit is 25 mph in most areas, and 15 mph near the park. Please drive safely and pay close attention because our roads are shared by cars, trucks, golf carts, walkers (including small children), runners, bicyclists and many deer. Please drive responsibly and do not use your cell phone while driving. Golf cart operators must be at least 16 years old and have a valid driver's license with them to drive on the streets.

PETS

- Pets are not allowed to run at large within the Village. They must be restrained on a leash when not confined to their own yard per Michigan State law and Grand Beach ordinances. This includes the beaches.
 - Dogs must have an annual license and must be current with their vaccines.
 - Dogs or other pets are not allowed on the golf course or in the parks.
 - The Village Council adopted a "Beach Ordinance" that allows residents to take their dogs to any of the Village beaches at any time between October 2nd and April 30th, and to any Village beach between the hours of 6:00 PM EST and 11:00 AM EST from May 1st through October 1st, except for hours when the beach is closed.
 - Please be considerate of other people and pick up after your pets.
-

BEACH FIRES

All beach fires require a permit issued by the Grand Beach Police Department. If there is a burning ban in force in New Buffalo Township, beach fire permits will not be issued. You are required to clean up the beach when you leave.

FIREWORKS

The use of fireworks is **illegal** in the Village of Grand Beach on all public lands and beaches. On private property usage is permitted only on the day before, the day of, and the day after a national holiday. For more information, read full ordinance no. 2014-85 (attached).

Parking Requirements (Off Street)

Per sections 4.10(B), 5.10(B) and 6.10(B) of the Village of Grand Beach Zoning Ordinance #2010-80:

Off-street outdoor parking of motor vehicles shall be a minimum of two (2) spaces and no more than five (5) passenger vehicles per dwelling unit. The outdoor parking of Motor Homes, Travel Trailers, Recreational Vehicles, etc. is prohibited for periods in excess of two (2) weeks. Vehicles, including travel trailers, motor homes and other recreation vehicles shall be permitted for a period of time not exceeding two weeks, upon application by the owner for the issuance of a "Temporary Permit" by the Zoning Administrator (or the Clerk or Police Chief if the Zoning Administrator is unavailable). Application shall be made at least seven (7) days prior to the date of arrival. A "Temporary Permit" may only be issued to one (1) recreation vehicle at a time in any one location and shall be valid for the maximum period of two weeks. Extensions of time shall not be permitted and the recreation vehicle shall be removed from the property on or before the expiration of the permit period. The vehicle may park but is not to be lived in.

Seasonal parking of golf carts, small boats (covered), kayaks, canoes, jet skis, snowmobiles, trailers, etc. in good condition is allowed in the front yard only on an established driveway. Seasonal parking of golf carts, small boats (covered), kayaks, canoes, jet skis, snowmobiles, trailers, etc. in good condition is allowed in the side or rear yard. This seasonal parking is limited to five (5) such vehicles per dwelling unit. No boats and/or boat trailers longer than 6 meters (20 feet) will be permitted to be stored in the Village unless such item is stored in a fully enclosed and weather-tight accessory building or private garage. All vehicles must be properly registered and licensed if required by law.

The full Zoning Ordinance #2010-80 can be viewed at grandbeach.org or in the Clerk's office.

Golf Course Rules

Players must register before playing and must retain the receipt upon their person

This means that all golfers must start by signing in at the Pro Shop and proceeding to the First Tee to begin the round. The Rangers will validate the golfer's receipt. Starting at any hole other than the First Tee will be at the discretion of the Ranger or Pro Shop staff.

Every player must have their own bag and clubs

This is very simple. Players must have a bag and clubs to play. Players will not be allowed to play out of one bag. The Pro Shop has rental clubs for golfers without clubs.

Playing groups are limited to a maximum of four players per group

Foursomes are the maximum group size allowed on the course. Rangers have the discretion to allow more, provided the course is not crowded.

Players must wear shoes with soft spikes

No bare feet, no sandals, no steel spikes, no flip flops, no slippers, just shoes.

Male golfers must wear shirts with sleeves

Yes, a Tee Shirt is required as minimum dress for men. This is a relaxed rule from other courses that require collared shirts.

Golfers coming off the 9th green to play another round must alternate with golfers waiting to tee off on the First Tee.

This is the way to ensure a steady flow on the course and eliminate argument. Grand Beach Golf Course is a 9-hole facility and requires golfers' cooperation to make the game a pleasant experience for all who play.

Golfers must repair ball marks on greens, repair divots in fairways, rake traps, keep carts away from greens and traps and use refuse containers.

The golf course is maintained by a professional staff that does exemplary work to keep the course in top form. By repairing ball marks, replacing divots and using the trash containers, the golfer is helping save money on the cost of maintaining the course for future play.

Recycle & Trash

You should have one recycle and one trash cart at your home. If you have extras, please contact the clerk's office at (269) 469-3141 so we can pick them up. If you need a second trash cart, you can rent one from Able Disposal by contacting them at (219) 929-1150.

Trash pickup is provided by Able Disposal. In case of a missed pickup, contact (219) 929-1150. Trash is picked up on Mondays, except between July 1st and the Friday after Labor Day when trash is picked up on both Mondays and Fridays.

Recycle pickup is provided by Able Disposal and is picked up on alternating Mondays, except between July 1st and Labor Day. Recycling will be picked up on the Tuesday after Labor Day due to the Labor Day holiday. Please refer to schedule below for 2017 recycle dates. Call Able Disposal at (219) 929-1150 in case of a missed pick-up.

Recycle and trash carts must be placed at the edge of the street by 6:00 a.m. EST on the day of pickup. Carts should face out so that the automatic arm can pick them up, and the carts should be moved back up to the house after they are emptied.

If you rent your home to others, or have family and friends that use your home, please inform them of the difference between the two carts so that they don't put trash in the recycle cart. If you put trash in the recycle cart, it will not be emptied by the recycle truck or the garbage truck. The recycle driver will not take trash and the garbage truck will not dump the recycle carts.

Many carts are left at the edge of the street after being emptied, leaving the Village looking messy. Please make sure that you pull your carts back away from the street once they are emptied. **If you are only here on the weekends, or if you go on vacation, please make arrangements with a neighbor or a friend to pull your carts back from the street so that others will not have to look at them.** The many trash carts that are left at the edge of the streets throughout the week, or even longer, take away from the beauty of Grand Beach.

Thank you for your cooperation and please contact the Village Clerk's office at (269) 469-3141 with any questions.

**VILLAGE OF GRAND BEACH
COUNTY OF BERRIEN
STATE OF MICHIGAN**

RESOLUTION NO. 2014-03

At a Regular Meeting of the Village Council of the Village of Grand Beach, County of Berrien, State of Michigan, held in the Village Hall, 48200 Perkins Blvd., Grand Beach, Michigan on the 20th day of August, A.D., 2014, at 7:30 o'clock p.m., Eastern Daylight Time.

PRESENT: Council Members James Bracewell, Paul Leonard Jr., Deborah Lindley, Kaye Moriarty and Blake O'Halloran.

ABSENT: None.

The following preamble and resolution were offered by Council Member Paul Leonard Jr., supported by Council Member Kaye Moriarty.

RESOLUTION

WHEREAS, the Village of Grand Beach (“Village”) has experienced a significant increase in rental complaints involving excessive noise, trash, occupancy, parking and other nuisances. To insure the protection of the health, safety and “quality of life” of Village residents and to maintain property values in our residential neighborhoods, the Village has determined it appropriate to regulate the rental of residential dwellings, and

WHEREAS, the Village Zoning Ordinance provides that short term rentals (less than one year) are only permitted as a special land use in our strictly residential zoning districts and that owners shall be liable for the conduct of their tenants. Article XII of the Zoning Ordinance sets out the requirements to obtain a special land use permit, and

WHEREAS, the Village primarily relies upon citizen complaints to investigate and prosecute rental violations where appropriate.

NOW THEREFORE BE IT RESOLVED that the Village of Grand Beach hereby adopts the following Short Term Rental Special Land Use Process;

Short Term Rental Special Land Use Process

In the event the Village receives a complaint(s) involving a rental home and confirms that the home is being rented, the Village will require the owner to apply for a special land use rental permit as required by the Zoning Ordinance to continue to rent the dwelling.

Registration:

Owners of rental dwellings registering the rental property with the Village shall do so on an application form provided by the Village. At the time an application is filed, a registration and/or inspection fee in an amount established from time to time by the Village Council shall be paid in full.

The Registration application shall include:

- a. Address of the rental dwelling.
- b. Name, residence address, business address, business phone number, personal phone number, and email address of the owner, and property manager or local agent.
- c. Proposed number of occupants.

Registration shall be effective for three (3) years. Changes in registration information require re-registration within thirty (30) days.

Certification:

The Village shall issue a Certificate of Compliance when, following an inspection by the building inspector/ zoning administrator and/or his designee, it is determined the rental dwelling complies with the requirements herein.

The Certificate shall be valid for three (3) years. It may be revoked upon findings that the property fails to comply with Rental Permit conditions and/or for violations of the Village's codes and ordinances, or other applicable laws and regulations.

Inspections:

Before issuing a Certificate of Compliance, the Village shall inspect a rental dwelling to determine whether it is in compliance with the Village's codes and ordinances, the 2012 International Property Maintenance Code, and other applicable laws and regulations. Upon written notice from the Village, it shall be the owner's responsibility to schedule and allow the Village's inspection of the rental dwelling.

If the inspection reveals that the dwelling is not in compliance, the owner will be provided with a written list of deficiencies or violations that must be corrected before a rental permit is issued. An additional inspection fee may be incurred for follow-up inspections.

The Village may conduct additional inspections as it deems necessary, upon reasonable notice such as when (i) a complaint is filed with the Village, and (ii) the Village otherwise has reasonable cause to believe a dwelling is in violation of any Village ordinance or other applicable laws and regulations.

Records:

The owner or local agent shall obtain and maintain a document signed by the person responsible for renting the dwelling acknowledging the occupancy limit of the rental property, certifying the number of persons who will be occupying the property and acknowledging Village regulations applicable to the rental property.

Each tenant shall sign a document acknowledging the occupancy limit and Village regulations applicable to the rental property, which document shall be maintained by the owner or local agent for inspection and copying by the Village. Compliance may be achieved by inclusion of the required information into a rental agreement (lease) signed by each tenant.

The owner or local agent shall obtain and maintain for Village inspection and copying the name, address and other contact information of each tenant/occupant.

Display of Applicable Ordinances:

The owner or local agent shall prominently display a full-size copy of the Certificate of Compliance, and a full-size copy of applicable Village ordinance sections including, but not limited to, trash, noise, occupancy and parking requirements.

Rental Permit:

Following registration, inspection and issuance of a Certificate of Compliance, the Planning Commission and Council will complete the Special Land Use process of Article XII of the Zoning Ordinance, including a public hearing with appropriate notice, and determine whether to approve a Rental Permit.

Revocation:

Rental permits may be revoked and rentals shall cease if rental permit conditions are not complied with or violations of Village or other applicable laws or regulations occur.

In the event there is a violation, and a second violation occurs within 12 months, the Permit will be revoked until re-issue by the Village; if a third violation occurs within 12 months, the Permit will be revoked for not less than one year.

Permit revocation will be determined by the Village Council with opportunity for hearing.

AYES: James Bracewell, Paul Leonard Jr., Deborah Lindley and Kaye Moriarty.

NAYS: Blake O'Halloran.

ABSTAIN: None.

CERTIFICATION

I, MARY ROBERTSON, the duly qualified and acting Clerk of the Village of Grand Beach, Berrien County, Michigan (the "Village") do hereby certify that the foregoing is a true and complete copy of an ordinance adopted by the Village Council at a meeting held on March 15, 2017, the original of which is on file in the Village Office. Public notice of said meeting was given pursuant to and in compliance with Act No. 267 of the Public Acts of Michigan of 1976, as amended.

Mary Robertson, Village Clerk

**STATE OF MICHIGAN
COUNTY OF BERRIEN
VILLAGE OF GRAND BEACH**

**ORDINANCE NUMBER 2017-90
Effective April 2, 2017**

AN ORDINANCE TO REGULATE THE LICENSING, KEEPING, AND OWNER'S CONTROL OVER DOGS AND CATS WITHIN THE VILLAGE OF GRAND BEACH FOR THE HEALTH, SAFETY, AND WELFARE OF THE PUBLIC.

The Village of Grand Beach ordains:

Section 1. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

On a suitable leash means both: (1) That the dog is attached to a leash that is no more than sixteen (16) feet in length and of such material that the leash is capable of restraining, and does restrain the type and size of dog to which it is attached; and (2) That such a leash is continuously held by a person who is reasonably able to and does restrain and prohibit the dog from being out of that person's physical control. A leashed dog that chases a person or domesticated animal a greater distance than sixteen (16) feet, or that bites a person or other domesticated animal constitutes prima facie evidence that such dog is not kept on a suitable leash.

Owner, when applied to the proprietorship of a dog or cat, means every person having a right of property in such dog or cat, and every person who keeps or harbors such dog or cat or has it in his or her care, and every person who permits such dog or cat to remain in or about any premises occupied by such person.

Reasonable control, as it relates to a dog, means keeping a dog on a suitable leash.

Reasonable control of a cat, recognizing the nature of this animal, requires that the owner take all reasonable efforts to ensure that a cat does not become a nuisance to any other person by a violation of or destruction to any person's private or public property.

Section 2. Yards, exercise runs; sanitation.

Yards and exercise runs shall be kept free of dog and cat droppings and uneaten food and shall be maintained in a sanitary manner so as not to be a nuisance because of odor or attraction for flies and vermin.

Section 3. Licensing, vaccination.

- (a) It shall be unlawful for any person to keep a dog which is six (6) months or older without obtaining a proper license and vaccination as required by the county and state.
- (b) It shall be unlawful for any person to keep a cat which is six (6) months or older without obtaining a certificate of vaccination for rabies and being able to produce such proof of vaccination at the request of an officer of the Village.

Section 4. Confinement, control.

- (a) It shall be unlawful for any dog not to be confined upon the premises of its owner or custodian at all times except when the dog is otherwise under the reasonable control of the owner or custodian, is within a portion of a publicly owned and operated dog park that is designated for dogs without leashes, is confined in a closed automobile or shipping receptacle, or has the express permission of the owner or occupant of the private property.
- (b) It shall be unlawful for any cat not to be under the reasonable control of the owner or custodian at all times.

Section 5. Number of dogs or cats.

It shall be unlawful for any person to own, possess, shelter, keep, harbor or maintain more than three (3) dogs and/or three (3) cats six (6) months of age or older on the premises at any one time; however, this provision does not apply to duly licensed pet shops, veterinarians or veterinarian hospitals.

Section 6. Defecation, etc., Prohibited; Disposal, Owner's Responsibility.

No person owning, harboring, keeping or in charge of any dog or cat shall cause, suffer or allow such dog or cat to soil, defile, defecate or to commit any nuisance on a public thoroughfare, sidewalk, passageway, bypass, play area, park or any place where people congregate or walk, or upon any public property whatsoever, or upon any private property without permission of the owner of such property unless:

- (1) The person who so owns, harbors, keeps or is in charge of such dog or cat shall immediately remove all droppings deposited by such dog or cat by any sanitary method. The person shall possess a container of sufficient size to collect and remove above-mentioned droppings and exhibit the container, if requested by any official empowered to enforce this article.
- (2) The droppings removed from the aforementioned areas shall be disposed of by the person owning, harboring, keeping or in charge of such dog or cat in a sanitary method on the property of the person owning, harboring or in charge of such dog or cat.

Section 7. Remedy for damage by cats.

Any owner of a cat who is unable to keep the cat on their own premises due to the nature of the animal shall accept as their full responsibility the cost of any damage to any other person's private or public property.

Section 8. Enforceability.

If any phrase or portion of this Ordinance is found to be unenforceable by a court of competent jurisdiction for any reason, such phrase or portion of the Ordinance shall be declared a separate, distinct, and independent provision, and such holding shall not affect the validity of the remaining provisions of this Ordinance.

Section 9. Violation as Civil Infraction.

Any law enforcement officer in the Village of Grand Beach is authorized to issue a citation to a person when, based upon personal investigation, the officer has reasonable cause to believe that the person has violated any section of this Ordinance. Any person who violates any section of this

Ordinance shall be responsible for a *municipal civil infraction* and shall pay a fine in accordance with the Village's Municipal Civil Infraction Fine Schedule.

This Ordinance shall take effect and be in force ten (10) days after the date when notice of the adoption is published in a newspaper of general circulation in the Village.
